INDIA PHOSPHATE
& ALLIED INDUSTRIES Pvt. Ltd.

Certificate of Analysis

Product Name :Tri Sodium Phosphate
Grade : Anhydrous
Chemical Formula : Na_3PO_4. Mol. Wt. : 163.94g/mol
Batch No. :24TSPA04
Date of Mfg. :20/11/2024 Date of Exp. : 19/11/2027

S. No	STANDARDS	SPECIFICATIONS	RESULTS
1.	Appearance	White crystals or granules or crystalline powder.	Complies
2.	Solubility	Freely soluble in water, insoluble in alcohol.	Complies
3.	**Identification:** A. Identification A B. Identification B	A. Solution gives positive tests for sodium B. Solution gives positive tests for phosphate	A. Complies B. Complies
4.	pH of 1% solution	11.5-12.5	11.7
5.	Arsenic (as As)	NMT 3 PPM	Complies
6.	Insoluble Substance	NMT 0.2%	Complies
7.	Loss on Ignition	NMT 2.0%	1.12%
8.	Assay	NLT 97.0%	98.64%

Remark: Material Complies with specification as per USP & therefore released for dispatch.

Note: The content of above certificate is based on India phosphate's policy of Sales. All the Specifications mentioned here are according to the standard Pharmacopoeia. The information here does not account for any changes occurred during shipment or other natural product variation. All the limit test are performed on Maximum standard limit. Its customer's responsibility to check all other parameters other than mentioned here and verify the nature of product before its use in manufacturing of your product. India Phosphate is not responsible for any adverse reaction or changes occurred during manufacturing. Before consumption of material verify and test all the parameters according to the product requirement. Once consumed, material will not be taken back and India Phosphate is not liable to pay for any loss or damage occurred during manufacturing of customers product. India Phosphate is not responsible for specification other than mentioned here. Subject to Ujjain Jurisdiction.
